OPENVIEW TABLE

Financing Program

PARTNERSHIP

The establishment of a spine surgery practice at an ambulatory surgery center often requires the installation of capital equipment prior to the initiation of revenue-producing procedures. With Americorp Financial, OR SAFETY will partner with Ambulatory Surgery Centers to deliver an ideal operating table configuration via a turn-key financing program that makes sense for all ASC financial stakeholders.

SOLUTION

The ClearAccess® Openview Table - ASC Solution Package provides full Jackson Table utility for spine surgery, is a superior platform for pain management procedures and has broad utility for a variety of other specialty procedures. The ClearAccess table features: head-to-toe C-arm access, radiolucent imaging, 20 degrees of lateral roll, 12 degrees of Trendelenburg/reverse Trendelenburg, 2 feet of motorized cantilever, a footprint of less than 12 square feet, and a 600 lb safe working load.

FINANCING

Priced at \$49,990.

No payments for 6 months followed by 60 payments at \$1,092 per month.

\$99.00 UCC documentation fee only, required in advance.

\$1.00 purchase option is available.

Rates are subject to credit approval and applicable state and local taxes.

Rates are subject to change without notice.
